IISTE International Institute for Science, Technology & Education
Accelerating Global Knowledge Creation and Sharing

The background of the left half of the cover is a complex network diagram. It consists of numerous small, multi-colored circular nodes (in shades of blue, red, green, and yellow) connected by thin, light blue lines. The nodes are arranged in a way that suggests clusters and relationships between different academic disciplines. Some larger, more prominent nodes are labeled with text, including: Clinical trials, Economics, Clinical Pharmacology, Demographics, Statistics, Sociology, Public health, Education, Philosophy, Child Psychology, Anthropology, Psychology, Archeology, Human geography, Cognitive Science, Sports medicine, Classical studies, Biodiversity, Brain studies, Nutrition, Geography, Environmental Science, Language, Tourism, and Neurology. The overall effect is a dense, interconnected web of knowledge.
