The background of the left half of the cover is a complex network diagram. It consists of numerous small, multi-colored circles (nodes) connected by thin, light blue lines (edges). The nodes are arranged in a way that suggests clusters of related disciplines. Some of the labels visible in the network include: Clinical trials, Economics, Clinical Pharmacology, Demographics, Statistics, Sociology, Public health, Dermatology, Social work, Child Psychology, Education, Philosophy, Nursing, Anthropology, Psychology, Archeology, Human geography, Cognitive Science, Sports medicine, Brain studies, Classical studies, Biodiversity, Nutrition, Geography, Language, Tourism, Environmental Science, and Neurology. The overall color palette is dark blue with accents of red, green, and yellow.
