The background of the left half of the cover is a complex network diagram. It consists of numerous small, multi-colored circular nodes (red, blue, green, yellow, purple) connected by thin, light blue lines. The nodes are arranged in a way that suggests clusters and relationships between different academic disciplines. Some larger, more prominent nodes are labeled with the names of various fields, including: Clinical trials, Economics, Clinical Pharmacology, Demographics, Statistics, Sociology, Public health, Dermatology, Social work, Child Psychology, Education, Philosophy, Anthropology, Psychology, Archeology, Human geography, Cognitive Science, Sports medicine, Brain studies, Nutrition, Geography, Language, Tourism, Environmental Science, and Neurology. The overall aesthetic is that of a digital or data-driven network.
